Intro: A D A E X6

The mama pajama rolled out of bed

And she ran to the police station

When the papa found out he began to shout

And he started the investigation

It's against the law it was against the law

The mama looked down and spit on the ground

Every time my name gets mentioned

The papa said, "Oy, if I get that boy

I'm gonna stick him in the house of detention"

Stuck In The Middle With You Gerry Rafferty

intro: D

Well I don't know why I came here tonight
 I've got the feeling that something ain't right
 I'm so scared in case I fall off my chair
 And I'm wondering how I'll get down the stairs
 Clowns to the left of me Jokers to the right
 Here I am stuck in the middle with you (repeat x4 at end of song)

Yes I'm stuck in the middle with you
 And I'm wondering what it is I should do
 It's so hard to keep this smile from my face
 Losing control, yeah I'm all over the place
 Clowns to the left of me Jokers to the right
 Here I am stuck in the middle with you

 And you're proud that you're a self-made man
 And your friends they all come crawling
 Slap you on the back and say Please... Please...

Waterloo Sunset The Kinks

Intro: D A G x2

Dirty old river, must you keep rolling flowing into the night

People so busy, make me feel dizzy. Taxi lights shine so bright

But I don't need no friends

As long as I gaze on Waterloo sunset I am in paradise

Every day, I look at the world from my window

But chilly, chilly is the evening time

Waterloo sunset's fine (Waterloo sunset's fine)

Terry meets Julie Waterloo station every Friday night

But I am so lazy, don't want to wander I stay at home at night

But I don't feel afraid

As long as I gaze on Waterloo sunset I am in paradise

Every day, I look at the world from my window

But chilly, chilly is the evening time

Waterloo sunset's fine (Waterloo sunset's fine)

Millions of people swarming like flies 'round Waterloo underground

But Terry and Julie cross over the river where they feel safe and sound

And they don't need no friends

As long as they gaze on Waterloo Sunset they are in paradise

Wreck of the Edmond Fitzgerald Gordon Lightfoot

Intro: B F#m A E B (repeat)

The legend lives on from the Chippewa on down

Of the big lake they called Gitche Gumee

The lake, it is said, never gives up her dead

When the skies of November turn gloomy

With a load of iron ore twenty-six thousand tons more

Than the Edmund Fitzgerald weighed empty

That good ship and true was a bone to be chewed

When the gales of November came early

The ship was the pride of the American side

Coming back from some mill in Wisconsin

As the big freighters go, it was bigger than most

With a crew and good captain well seasoned

Concluding some terms with a couple of steel firms

When they left fully loaded for Cleveland

And later that night when the ship's bell rang

Could it be the north wind they'd been feelin'?

The wind in the wires made a tattle-tale sound

And a wave broke over the railing

And every man knew, as the captain did too

T'was the witch of November come stealin'

The dawn came late and the breakfast had to wait

When the gales of November came slashin'

When afternoon came it was freezin' rain

In the face of a hurricane west wind

When suppertime came, the old cook came on deck sayin'

"Fellas, it's too rough to feed ya"

At seven PM, a main hatchway caved in, he said

"Fellas, it's been good to know ya"

(cont)

The captain wired in he had water comin' in
And the good ship and crew was in peril
And later that night when his lights went outta sight
Came the wreck of the Edmund Fitzgerald

Does any one know where the love of God goes
When the waves turn the minutes to hours?
The searchers all say they'd have made Whitefish Bay
If they'd put fifteen more miles behind her

They might have split up or they might have capsized
They may have broke deep and took water
And all that remains is the faces and the names
Of the wives and the sons and the daughters

Lake Huron rolls, Superior sings
In the rooms of her ice-water mansion
Old Michigan steams like a young man's dreams
The islands and bays are for sportsmen

And farther below Lake Ontario
Takes in what Lake Erie can send her
And the iron boats go as the mariners all know
With the gales of November remembered

In a musty old hall in Detroit they prayed
In the maritime sailors' cathedral
The church bell chimed 'til it rang twenty-nine times
For each man on the Edmund Fitzgerald

The legend lives on from the Chippewa on down
Of the big lake they called Gitche Gumee
Superior, they said, never gives up her dead
When the gales of November come early
